SIMPLE & EASY TO USE WITH ALL THE FUNCTIONALITY YOU NEED

Our autoclaves are user friendly and meet the most stringent requirements for hollow and wrapped loads. You can choose between a quick start and a pre-set, custom-defined option. With an inbuilt printer and USB storage, you have the convenience of a print out and the backup of an electronic copy. The one piece solid stainless steel chamber carries a lifetime warranty. The easily accessible large tank cover makes it easy to fill and clean as required.

Fully Compliant

ProMedCo guarantees all our autoclaves are compliant.

Your safety is our priority.

100% Satisfaction

We are so confident in our products, we proudly offer a 30 day money back guarantee. If you are not 100% happy with the unit, we will organise for it to be collected and a full refund to be provided.
